

## 2.4/5GHz 8/6.5 dBi Patch Antenna with 4 x N Plugs

Ventev's TerraWave 2.4/5GHz 8/6.5 dBi High Density Multiple-Input and Multiple-Output (MIMO) directional Wi-Fi antenna is optimized to work with Meraki's MR 66/72/74/84 access points. The antenna's gain and narrow beamwidths delivers on the modern user demand for high capacity connectivity. The 4 dual-band leads deliver exceptional performance, and alleviate the need to buy two separate 2-lead antennas for the AP. An articulating mount enables the antenna to be pointed precisely where coverage is most needed, and comes with mounting hardware to support mast and/or wall mounting. *Every TerraWave antenna is RoHS compliant, and is covered by Ventev's two-year TerraNet warranty program. For more information, contact Ventev: 800-851-4965 or sales@ventev.com.*

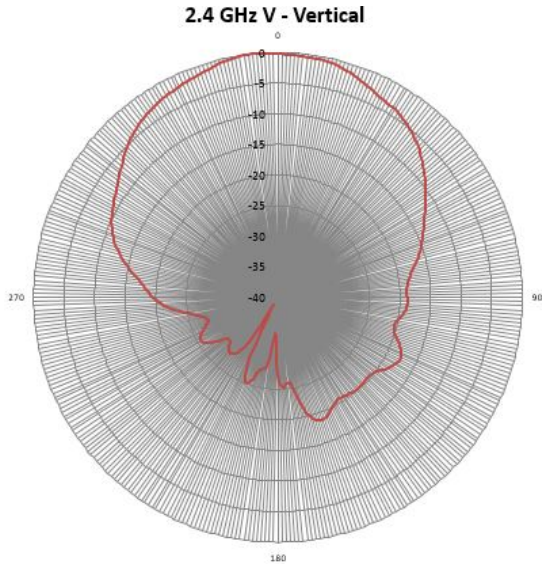

Specifications		
SKU	261498	
Model Number	M6080060DP33607	
Operating Frequency Ranges	2.4–2.5 GHz	5.1–5.9 GHz
Gain	8 dBi	6.5 dBi
Vertical Beamwidths	65	70
Horizontal Beamwidths	60	65
Impedance	50 Ohms	50 Ohms
Voltage Standing Wave Ratio (VSWR)	<2	<2
Front-to-Back Ratio (dB)	>13	>15
Port-to-Port Isolation (dB)	> 25	> 30
Connector Type	4 x N Plug	
Cable Length	24 in.	
Length	7.5 in.	
Width	7.5 in.	
Height	1.5 in.	
Weight	2.5 lb.	
Ingress Protection	IP-66 Compliant	
Operating Temperature Range	-40 degrees F to 140 degrees F
