JABRA HALO2
BLUETOOTH® Stereo Headset
Works with any *BLUETOOTH*® enabled phone*

ENJOY **MUSIC** AND **CALLS**
WIRED AND **WIRELESS**

Wireless freedom with Virtual Surround Sound

Cut the wires and boost the sound on your music and calls with Jabra HALO2 *Bluetooth*® headset. Building on the success of the highly acclaimed Jabra HALO, the new Jabra HALO2 truly raises your music experience to new heights. All of the best features from the original HALO have been included on the new version, but the sound is even more divine. Enhancements such as Virtual Surround Sound and Power Bass, A2DP and DSP maximize the sound quality on music and calls.

Using it is as intuitive as ever. To start, just unfold it to get the power on. Then, simply connect it to you mobile phone via *Bluetooth*® and start to stream all your music wirelessly. If your player of choice does not support *Bluetooth*®, you can still use your headset to listen to music with the corded option. Since the Jabra HALO2 includes Multiuse™, you can connect it with up to 2 *Bluetooth*® devices of your choice. Touch sensors let you leave your phone in your pocket or bag and control your music directly from the headset. Use the Jabra HALO2 as your primary multimedia center and enjoy remarkable sound on your music and calls.

You can even make and take hands-free calls with your Jabra HALO2. Impeccably designed, the Jabra HALO2 makes your voice come through crystal clear with Noise Blackout™ technology, which eliminates unwanted background noise during calls. Iconic style is a given with the Jabra HALO2, and this elegant, lightweight headset even provides comfort for all day wear.

Reasons to choose the Jabra HALO2

- Wireless and corded option
- Virtual Surround Sound and Power Bass
- Control your music remotely with headset touch sensors

Quick Start Guide

Charging your headset

Make sure that your Jabra HALO2 is fully charged before you start using it for the first time. While charging the indicator lights are solid,from red, over yellow to green, when fully charged. Charging time is approximately 2h. You can use the Jabra HALO2 during recharge.

Turning your headset on and off

Unfolding the headset will turn it on; Folding the headset will turn it off

Pairing the headset with to a phone or other device

1. First time pairing

   Unfold the headset and the Jabra HALO2 will automatically enter pairing mode and search for a device.

2. Later pairing

   Press and hold the Answer/End button (1) until the indicator light (5) is solid blue (approximately 4 seconds). Activate *Bluetooth* on your phone or other device an search for *Bluetooth* devices and select Jabra HALO2.

   Press "OK" on the phone or device and confirm with PIN code 0000 (4 zeros)

Using your headset

Answer or end a call

1. Tap the Answer/End button (1) to receive / end calls. Adjust sound and volume*

2. Use the touch control (2) for turning volume up or down. Play or pause music

3. Tap the Answer/End button (1) to play / pause music. Change between music tracks*.

4. Use the touch control (2) for next track (double tap on +) or previous track (double tap on -)

5. Using your Jabra HALO2 with the 3.5mm music cable (not *Bluetooth*®) Insert the 3.5mm music cable to the micro-USB socket and connect the 3.5mm jack into the device. Please note that the Bluetooth features (including receiving calls) are disabled when using the Jabra HALO2 with the cable. Using your Jabra HALO2 with the 3.5mm music cable is not possible if the battery is completely discharged, so make sure that it is at least partly charged.

Wearing style

Please note the left/right wearing indicators inside the headband. Adapt the size of your Jabra HALO2 by extending the length of the headband.
