**HELLOMOTO™**

The H560 is for Bluetooth® enabled headset users who are looking for a stylish headset with the ideal blend of clarity and comfort that will help keep them in touch throughout their busy day.

### Clear connection

Built-in noise reduction and echo cancellation helps callers on the other end hear you clearly. Every time you talk.

### Smooth talking

Volume automatically adjusts to background noise. When you're in a loud space, the volume goes up. Move to a quiet room and the volume goes down.

### Supreme comfort

You'll hardly realize you're wearing a headset. TrueComfort™ design features multiple ear cushions, a molded speaker and a discreet flexible ear hook for a superb personal fit that holds the headset securely in place.

### Simple start

Exclusive EasyPair technology helps simplify how you connect with your compatible *Bluetooth* enabled phone for fast setup.\*
