NEW PANASONIC TOUGHBOOK 31 DOCKING STATION

**DEFINING
RUGGED**

EXCEPTIONAL ENGINEERING | ROCK SOLID | EXTENSIVE TESTING

Our **NEW** 31 Docking Station is now better than ever; we've incorporated proven features from the old design plus some new innovative features to make a smaller, more functional dock that provides improved vehicle cabin ergonomics and the same Gamber-Johnson reliability you've come to trust in.

New Features:

- Smaller Footprint
- Improved Interlock Button
- Redesigned Integrated Power Supply
- Light-weight Composite

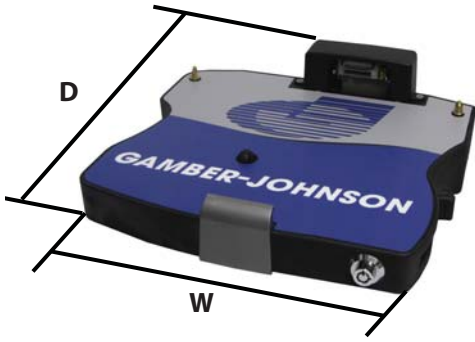

Proven Features:

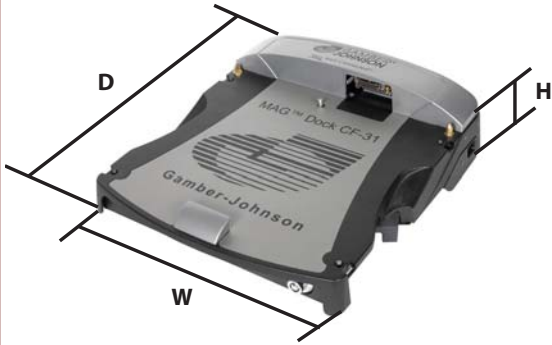

- Side Pull Handle
- Push Button Lock
- LED Indicator Light
- Panasonic Electronics

New 31 Dock

31 MAG Dock

Smaller Footprint = Better Ergonomic Placement in the cabin

The new Panasonic Toughbook 31 Docking Station is our smallest footprint. Smaller at the corners/back of the dock for easier tilt and rotation toward the driver and smaller in the front of the dock for an unobstructed view of the radios or other instruments.

	New Gamber-Johnson 31 Dock	Gamber-Johnson 31 MAG Dock*
Width	12.4"	12.4"
Depth	12.3"	14.0"
Height	3.9"	3.9"
Weight	5.5 lbs.	6.5 lbs.

*Based on Weight and Dimensions for the 7160-0263-xx Series

Integrated Power Supply Option:

- Easier and faster installations
- LIND Toughbook certified 120W integrated power supply
- Fits into dedicated pocket within the docking station
- Optional power supply upgrade kit – upgrade non-powered docks in the field (Item No. 7160-0496)

Additional Features:

- Composite/steel design
- Floating docking connector for easy docking activation
- LED indicator light – use to troubleshoot in the field
- 3 year limited warranty on electronic components (board, docking connector)
- Limited lifetime warranty on all non-electronic components
- Optional 4 and 5 year extended warranty available
- Accessories available, see website
