Choosing an oscilloscope: Can you meet today's budget requirements while anticipating tomorrow's bandwidth requirements?

The oscilloscope experience redefined: InfiniiVision 4000 X-Series oscilloscopes

NEW

These 200 MHz to 1.5 GHz oscilloscopes deliver waveform update rates 20 times faster than the competition, the power of MegaZoom IV smart memory, and an intuitive GUI—all with a capacitive touchscreen interface.

Experience the speed to find the most difficult problems in your design with 1 million waveforms/sec update rate, MegaZoom IV smart memory and standard segmented memory.

Experience the usability of the first scope design for touch capability with the industry's largest 12.1 inch capacitive touch display and innovative InfiniiScan Zone touch triggering.

Experience the integration of 5 instruments in one: oscilloscope, logic analyzer, protocol analyzer, WaveGen dual channel 20 MHz arbitrary/function generator, and 3-digit voltmeter, with the ability to upgrade your scope at any time including bandwidth to 1.5 GHz.

TESSCO Technologies

As a leading provider of products and solutions for wireless communications for more than 20 years, TESSCO supplies the entire wireless industry—voice, data, messaging, location tracking and Internet systems—with over 30,000 products from 350 manufacturers. TESSCO is your total source for network infrastructure equipment, mobile devices and accessories, and installation, test and maintenance equipment and supplies. We serve a diverse, growing customer base that seeks to improve the way they do business. Our customers range from public network operators, private network operators, integrators, resellers, and contractors to large industrial and commercial users and government agencies. At TESSCO, we used cutting-edge information technology to track every product that is on order, on its way to us, within our distribution centers, or in transit to our customer—and react instantly to changing conditions. We're Your Total Source® supplier because we aim for total efficiency at every step of every transaction. Call or click to view our catalog or get a quote.
