

Course Name: OSHA 30 Hour General Industry Outreach Training

Course Overview:

The OSHA 30 Hour General Industry Outreach Training course is a comprehensive safety program designed for anyone involved in general industry. Specifically devised for safety directors, foremen, and field supervisors; the program provides complete information on OSHA compliance issues. OSHA recommends Outreach Training Programs as an orientation to occupational safety and health for workers covered by OSHA 29 CFR 1910. General industry workers must receive additional training, when required by OSHA standards, on specific hazards of the job.

Course Length: Once you enroll in the On-line OSHA 30 Hour General Outreach Training course you will have 6 months to successfully complete the course. If you do not complete the course in 6 months you will not receive a certificate for course completion.

Prerequisites: None
